

HUMANOIDZ NYC

Founding Donor Prospectus

A Historic Opportunity

HUMANOIDZ NYC is building the world's first interactive humanoid robotics retail center and STEM inspiration hub — a landmark institution that will permanently change how the public experiences, understands, and accesses the future of robotics. We are raising our first round of philanthropic capital to bring this vision to life, and we are inviting a select group of Founding Donors to be permanently recognized as builders of this historic project.

Our two-location model is designed for maximum impact:

NYC Flagship — Manhattan The commercial and cultural anchor of the HUMANOIDZ brand. A premier retail showroom, live robot demonstration space, enterprise suite facility, and public STEM inspiration lab where anyone — from a curious child to a Fortune 500 executive — can interact directly with the future of robotics. STEM programming is rooted here, delivered through the HUMANOIDZ NYC Foundation to schools and communities across the five boroughs and beyond.

NJ Operations Hub — New Jersey The technical backbone of the operation. A warehouse, Robotics Maintenance & Repair Bay, Testing & Calibration Lab, and the future home of the Humanoid Technician Academy — a career training program currently in development in collaboration with regional workforce partners and the U.S. Office of Apprenticeship. All apprenticeship-related training, including Related Technical Instruction (RTI) and on-the-job learning, will take place in New Jersey once the program is formally registered and approved.

Every dollar contributed to the HUMANOIDZ Foundation directly funds the STEM education programs, community outreach, and workforce development initiatives that make this mission inclusive and lasting.

The HumanoidzNYC Foundation

The HumanoidzNYC Foundation is a New York-based nonprofit organization with a 501©(3) application currently pending with the IRS. Its mission is to democratize access to advanced robotics and create educational pathways for the next generation of engineers, technicians, and innovators — with a particular focus on underserved communities across New York City and the greater tri-state region.

Foundation programs include free school field trips and STEM workshops at the NYC Flagship, after-school Robotics Build Clubs, a Teacher Training Institute, an annual city-wide STEM Projects Competition, college robotics scholarships, and multi-state community outreach through mobile robotics labs. Through our NJ Technical Hub, we are building the infrastructure to extend that mission into a formalized career pathway.

Founding Donor Tiers

The following table summarizes all six Founding Donor tiers and their associated recognition and benefits.

Tier	Minimum Gift	Key Benefits
Architect — The Co-Founder Tier	\$500,000	All Visionary perks + permanent co-founder credit in all official communications, naming rights for one room/lab/zone inside the NYC facility, seat on the Foundation Advisory Board, annual private dinner with the founding team, first right of refusal on future investment rounds
Visionary — The Legacy Tier	\$250,000	All Innovator perks + permanent name on the physical Founder Wall, exclusive 1-hour Private Robotics Workflow Session for your family or team, naming rights sponsorship for one NYC public school STEM Field Trip
Innovator — The Experience Tier	\$100,000	All Pioneer perks + 2 VIP tickets to the 2026 Opening Gala in Manhattan, limited-edition HUMANOIDZ NYC Founder metal challenge coin, early access to STEM workshop bookings
Pioneer — The Community Tier	\$50,000	Name engraved on the Founding Donor Wall, exclusive Founding Donor digital certificate & credential, invitation to a private First Look webinar with the engineering team, exclusive Pioneer Donor credential
Luminary — The Rising Tier	\$15,000	All Patron perks + name engraved on the Founding Donor Wall, exclusive Luminary Donor digital certificate & credential, invitation to the First Look webinar, priority access to enterprise suite bookings at opening
Patron — The Supporter Tier	\$5,000	Founding Donor recognition on the HUMANOIDZ NYC website, exclusive Patron Donor digital badge & credential, early access to Grand Opening ticket sales, quarterly mission updates from the founding team

Tax Deductibility

Your donation is retroactively tax-deductible.

The HumanoidzNYC Foundation has submitted its 501©(3) application, which is currently pending with the IRS. Donations made now are gratefully accepted and will be honored with full Founding Donor recognition. Once our 501©(3) status is approved — which we anticipate within the coming months — donors who gave during this

period may be eligible for retroactive tax deductibility, subject to IRS guidelines. We recommend consulting your tax advisor regarding your specific situation.

For corporate donors contributing through HUMANOIDZ NYC LLC, contributions may qualify as a business marketing or sponsorship expense, deductible in the year the contribution is made.

***HumanoidzNYC Foundation — 501©(3) Application Pending with IRS** Retroactive tax deduction upon approval — consult your tax advisor. Corporate sponsors may deduct as a marketing or sponsorship expense.*

How to Give

To make a contribution or discuss a giving tier, please contact our Founding Donor team directly:

Email: donors@humanoidznyc.net **Website:** humanoidznyc.com

Secure online giving is also available through our Donorbox portal at humanoidznyc.com. All major credit cards and PayPal are accepted.
